NS 22, 23 Growth Centre, Jasoyia, BIADA, Aurangabad -824101 (Bihar)

Students Welfare Committee

The Students Welfare Committee serves as a vital link between the Management and the students, with the primary objective of ensuring the overall welfare and development of students. The committee addresses student concerns by bringing them to the attention of the Director and working towards timely resolution. It meets regularly, usually monthly, to review issues related to academic standards, facilities, and student support services, and to suggest improvements. The committee also facilitates the smooth functioning of student clubs and academic activities when required.

At the Mahadeva Lal Schroff College of Pharmacy, the Students Welfare Committee focuses on fostering a healthy student-teacher relationship and creating a supportive learning environment. The committee listens to student concerns, understands their academic and personal needs, and assists them in both theoretical and practical learning. It actively addresses student feedback on curriculum and institutional facilities, minimising the effort required from students to resolve issues.

The committee also maintains strong communication with parents and guardians by organising meetings and addressing their concerns effectively. Special attention is given to slow learners through remedial and special coaching sessions conducted in a friendly and supportive manner. Periodic meetings and activities are organised to enhance student welfare, promote personality development, and encourage participation in co-curricular and extracurricular activities such as sports, music, and cultural programs.

Functions of the Students' Welfare Cell

- Conducts remedial coaching on life skills, personality development, assignment writing, and presentation skills.
- Organises interactive sessions and informal meetings to address students' personal, social, and academic concerns.
- Guides SC/ST/OBC/PWD students to avail the benefits of welfare schemes offered by the State Government and the Government of India.
- Promptly addresses written student grievances and reviews cases in accordance with institutional policies.
- Ensures compliance with the SC and ST (Prevention of Atrocities) Act, 1989.
