## ❖ Introduction:

Every year, World Pharmacist Day is celebrated globally on 25th September to acknowledge and appreciate the crucial contributions of pharmacists to healthcare systems and patient welfare. The theme for 2025, "Think Health, Think Pharmacist", emphasizes the indispensable role of pharmacists as the key link between health and medicine — ensuring safe, effective, and rational use of drugs. At Mahadeva Lal Schroff College of Pharmacy, the celebration of World Pharmacist Day 2025 was organized with immense zeal and dedication.

The event spanned over three days (23rd to 25th September 2025), featuring a combination of academic, cultural, and social welfare activities designed to inspire professionalism, creativity, and service among pharmacy students. The primary objective of this celebration was to foster a sense of pride among budding pharmacists and to spread awareness about the vital role the pharmacy profession plays in promoting public health.

The poster features the college logo and name at the top, followed by the event title 'WORLD PHARMACIST DAY-2025' in large blue letters. Below the title, it specifies the date 'on the 25<sup>th</sup> September, 2025' and the theme '“Think Health, Think Pharmacist”'. A list of events is provided, including Rangoli, Scientific Poster Presentation, Wall Poster Presentation, Quiz Competition, Model Presentation, Drawing Competition, Oral Presentation, Essay Writing, Health Camp/Patient Counselling, Blood Donation Camp, Sate Level Reels Making Competition, and Cultural Programme. Contact information for the college is also included at the bottom.

- **Health Camp & Patient Counselling:** Students actively participated in providing basic health check-ups and counselling to patients, thereby promoting community health awareness and practical exposure.

- **State-Level Reels Making Competition:** A state-level reels making competition was conducted to encourage students from various institutions to creatively showcase the role and importance of pharmacists in society through short, impactful videos. Participants submitted their entries through a Google Form, ensuring wide accessibility and participation. This event highlighted the power of digital media in spreading awareness about the pharmacy profession and inspired students to express their ideas innovatively using modern communication platforms.
- **Rx Preparation:** The *Rx Preparation* activity was organized in the college entrance area, where students practically demonstrated their understanding of prescription writing, drug formulation, and dispensing procedures. To symbolize the essence of pharmacy, students creatively formed a large “Rx” formation in the courtyard, reflecting their unity and professional spirit. A photoshoot was conducted to capture this iconic moment, representing the pride and identity of future pharmacists.
